

Summary

Multidisciplinary digital artist with 2 years of experience producing industry-standard 2D animations, short-form content for social media platforms, promotional graphics, web layout designs, and video edits for digital marketing.

Skills

- File Organization & Asset Management, Creative Problem-Solving, Feedback Interpretation & Implementation, Cross-team Collaboration, Project Delivery & Deadlines, Independent Project Execution, Brand Consistency Awareness, and Bilingual: English/Spanish.

Softwares

- Photoshop, Illustrator, After Effects, Premiere Pro, Blender, Toon Boom Harmony, Storyboard Pro, and Figma.

Experience

2D Junior Animator | Me, the family pet? Productions | AUG 2025 - PRESENT

- Produced complete animation sequences for vertical-format social media content, from animatic to final edit.
- Developed animatics used by voice actors and directors for timing, performance, and scene planning.
- Created animation in Toon Boom Harmony, including line art, cleanup, coloring, and final polish.

Freelance Digital Media Designer | HR Electrical & AC Company | MAY 2025 - DEC 2025

- Designed website layouts and visual assets, including promotional graphics and social media posts. Created and edited video content to support digital marketing and brand visibility.

Freelance 2D Animator | Laundromax | JAN 2025 - DEC 2025

- Delivered high-quality cleanup and coloring for a commissioned animation project, contributing to a cohesive and professional final look.

2D Animator & Visual Development Artist | Mana-t Studios | JUN 2024 - JAN 2025

- Handled 2D cut-out animation for the musical television series '**Rockolandia**' and internal demonstrative videos for '**Blue Shield**' employees.
- Conceptualized prop designs, concept art, comic illustrations, and storyboard/animatic concepts featuring the company's brand mascot '**Manny The Super Manatee**'.

2D Animator Intern | Mana-t Studios | NOV 2023 - JUN 2024

- Assisted in prop design, cleanup of character turnarounds, and created video effects in After Effects for internal '**Blue Shield**' animation projects.
- Contributed to concept development for a convention activity using the company's brand characters, producing animatics, visual concepts, and preview materials to guide the creative direction.

Freelance Graphic Designer | Boomink Studios | MAY 2019 - DEC 2024

- Shaped posters, logos, icons, and branding mockups for academic and extracurricular projects, and produced illustrations ranging from portraits to still-life and animal subjects.

Peer Tutor (Tittle V Proposal) | Atlantic University | OCT 2021 - MAY 2023

- Mentored a diverse group of students on a quarterly basis, delivering personalized guidance to enhance their creative growth and artistic proficiency.
